

Gold Coast Hospital and Health Service

Volunteer Service Information Kit

2017

Welcome

Welcome to Gold Coast Health - Volunteer Services. We hope your voluntary contribution to the service is an enjoyable and fulfilling one, and as valuable an experience to you as it is to our district. Thank you very much for considering giving your time to become part of our health care team.

We place great importance on the activities of volunteers and are truly grateful for their contribution in helping to support care for our patients.

This handbook is designed to assist you in becoming familiar with the roles our Volunteers perform and the duties required for each of those roles.

Our Vision

Gold Coast Health will be recognised as a centre of excellence for world class healthcare.

Our Purpose

Providing excellence in sustainable and evidence based healthcare that meets the needs of the community.

Our Values

- **Integrity** – To be open and accountable to the people we serve.
- **Community first** – To have the patient's and the community's best interest at heart.
- **Excellence** – To strive for outstanding performance and outcomes.
- **Respect** – To listen, value and acknowledge each other.
- **Compassion** – To treat others with understanding and sensitivity.
- **Empower** – To take ownership and enable each other to achieve more.

Volunteer Services

Volunteers are an essential part of the successful functioning of Gold Coast Health. For your benefit, and that of the organisation, it is important that your role is carefully defined, and that you are provided with regular feedback as to the valuable contributions of your efforts. Volunteer Services aim to compliment and enhance services of the Health Service through the selfless contribution of volunteers.

Volunteers offer support in many ways from listening and chatting with patients and their families, assisting with way finding, comforting patients who arrive for clinic appointments, offering books and magazines to read and assisting with ward activities. Any support given to patients and their families or to paid staff attending them is a valuable worthwhile contribution and can make a patient's stay a little more comfortable.

The characteristics of a Volunteer include **Team Spirit, Flexibility, Commitment and Reliability.**

When recruiting Volunteers to positions we look for characteristics where people wish to work in a team environment. Where they feel they can contribute to the health and benefit of the patient. Volunteers wish to be part of their community and give of their time freely without financial benefit.

Our Volunteer Positions are not Work Experience roles. We do not have Volunteers performing roles that staff are paid to perform. We must always respect our staff and patients' privacy and confidentiality. We look for Volunteers who are committed, reliable and willing to offer a minimum of 6 months support on a rostered weekly basis.

General principles for use of volunteers

Volunteering is to benefit the community and the volunteer, and be of the volunteer's own free will and without coercion. Volunteers receive no financial payment and must work in designated volunteer positions only.

- Volunteering is always a matter of choice.
- Volunteering is not compulsorily undertaken to receive pensions or government allowances.
- Volunteering is a legitimate way in which citizens can participate in the activities of their community.
- Volunteering is a vehicle for individuals or groups to address human, environmental and social needs.
- Volunteering is not a substitute for paid work.
- Volunteering respects the rights, dignity and culture of others.
- Volunteering promotes human rights and equality.
- Volunteers will not be utilised where legislative requirements or GCHHS policies and procedures dictate the use of paid or contracted staff.
- Volunteer positions will not be created to suit the needs of individuals and this includes work experience opportunities.
- Volunteers are required to undertake a general Criminal History Check and/or hold a current working with children Blue Card depending on the role they will be performing. This will be arranged through the Volunteer Co-ordinator.
- Volunteers will require documentary evidence they have been vaccinated for the vaccine preventable diseases (VPD's) of measles, mumps, rubella, varicella and pertussis. This will be arranged through the Volunteer Co-ordinator.

Volunteering is never to be used as a precondition for paid employment or as a substitute for paid work. Volunteers are not to replace paid employees or pose a threat to their job security. They are not to fill a position previously held by a paid employee. Volunteers are not required to do the work of paid employees during industrial disputes.

Activities undertaken by a volunteer are to positively support the achievements of the volunteer program. The activities are to be meaningful to the volunteer and contribute in a meaningful way to the objectives of GCHHS. Volunteers are not to be exploited or expected to perform tasks that paid staff are reluctant to undertake.

Volunteer rights and responsibilities

The terms and conditions of volunteer engagements are not covered by award conditions or workplace agreements. However, volunteers have rights provided by legislation or as an obligation of organisations engaging volunteers.

Volunteers have the right:

- to work in a healthy and safe environment;
- to be interviewed and employed in accordance with equal opportunity and anti-discrimination legislation;
- to be adequately insured and indemnified;
- to be given accurate and truthful information about GCHHS;
- to be reimbursed for out-of-pocket expenses incurred on behalf of GCHHS;
- to be given a copy of GCHHS's volunteer policy and any other policy that affects volunteers and their work;
- not to fill a position previously held by a paid worker;

- to have a job description and agreed working hours;
- to have access to a grievance procedure;
- to be provided with orientation to the organisation;
- to have confidential and personal information dealt with in accordance with the principles of the *Privacy Act 1988*;
- to be provided with sufficient and appropriate training to do the job;
- to work only in their assigned unit and not be asked to perform tasks outside their experience without training and supervision;
- of a place to work and suitable resources;
- be included in planning for the service.

Volunteers will maintain a high standard of service and be responsible for:

- maintaining a friendly, polite, courteous and helpful approach at all times;
- maintaining a high standard of personal presentation;
- to work only in their assigned unit and not be asked to perform tasks outside their experience without training and supervision;
- to be dependable, reliable, arrive on time, and notify the organisation if they are unavailable;
- have a willingness to learn, as training is essential to any job well done;
- welcome supervision and ask for support when they need it;
- avoid over-extending themselves, recognise personal limitations, and not make promises they cannot keep;
- value and support other team members and the functions of paid staff;
- address areas of conflict with the Volunteer Manager/Co-ordinator;
- advise the organisation if you do not wish to continue;
- maintain client privacy and confidentiality at all times;
- if unable to provide immediate assistance, being able to refer clients to appropriate areas for assistance.

AODS Peer Support Position Description

Role title	'Back in Control' Volunteer	
Unit/Branch/Division	Alcohol & Other Drug Service Mental Health and Specialist Services	
Hospital and Health Service	Gold Coast Hospital and Health Service	
Service provision (Hours)	Tue 9.30am – 12.00pm	Southport Health Precinct
	Tue 1.00pm – 3.00pm	Southport Health Precinct
	Wed 1.00pm – 3.00pm	Helensvale Community Health
	Thu 9.30am – 12.00pm	Palm Beach Community Health

Purpose of the Role

Provide peer support to clients attending the 'Back in Control' relapse prevention group and support for staff facilitating the group.

Volunteers responsibilities:

- To have a client focussed approach to the provision of support.
- Treat all clients, carers, families, staff and other volunteers with care, compassion, dignity, and respect at all times and without compromise.
- To provide support to clients in a manner that respects their independence and enhances their emotional well-being.
- To communicate any concerns about client, family or carer to the AODS staff.
- To participate in any training considered appropriate for this role.
- Ensure all appropriate actions are taken to implement OH&S policy, procedures and legislative requirements.
- Ensure you have an understanding of Gold Coast Health policies and procedures.
- Wear Identification Badge at all times.

Key Duties

- Provide support to staff and clients attending the 'Back in Control' relapse prevention group.
- Ensuring clients feel welcome by providing a meet n greet service.
- Support staff facilitating the group by attending to messages and errands, restocking and collating paperwork.

Are You the Right Person for the Role?

- Ability and willingness to promote and support the Back in Control relapse program.
- Ability to work co-operatively with staff and volunteers and work as part of a team.
- Strong communication and literacy skills (listening and communicating).
- Ability to display empathy, compassion, reliability, confidentiality and a lived experience.
- Respect the beliefs and values of all people including those of particular cultural, religious, social and/or ethnic groups.

Volunteer boundaries

- Volunteers must respect the rights of clients and their decisions in relation to their care.
- Volunteers will not be required to perform any medical, nursing or staff roles.
- Volunteers are not to perform any patient handling tasks.
- Volunteers are not to suggest or offer any medications.
- Volunteers will not disclose their personal phone numbers, emails address or home addresses to clients, families or visitors.

Mandatory Requirements

Volunteers will require a clear Criminal History Check. This will be arranged through the Volunteer Co-ordinator.

Volunteers will require documentary evidence they have been vaccinated for the vaccine preventable disease (VPD's) of measles, mumps, rubella, varicella and pertussis. This will be arranged through the Volunteer Co-ordinator.

Volunteers must attend Gold Coast Health Orientation, a work unit induction and any other training considered necessary for this position.

Community Gardener Position Description

The Gold Coast University Hospital community garden is a sustainable environmentally friendly opportunity to produce nutritious herbs, vegetables and native garnishes to enhance the hospital menu for inpatients and staff through the Pulse Cafe. Volunteers support a social responsibility approach to the creation of horticultural therapy opportunities for in-patients and enhanced social connection for staff and visitors through shared gardening.

Location:	Community Garden Gold Coast University Hospital, Southport
Purpose of position:	To assist with community garden maintenance, planting and harvesting.
Service provision (Hours):	Tues or Thurs Flexible times
Mandatory requirements:	Volunteers must attend orientation, a work unit induction and any other training considered necessary for this position.
Physical requirements:	Shifts require up to 3 hours walking and standing as well as some bending to work in garden beds. Light digging and wheelbarrow use may also be required. General gardening knowledge and good communication skills are essential in this role.

Duty Statement:

The Community Gardener works under the direction of the Community Garden Coordinator to maintain the productivity of the community garden. Community gardeners are also integral to greeting volunteers and visitors to the garden to create a welcoming and inclusive environment for promoting healthy eating and sustainable food production.

- Keen interest in gardening and working with people from diverse cultures and back grounds
- Good communication and friendly, helpful manner
- Understanding of safe work practices
- Ability to work outdoors and use garden tools
- Basic gardening experience (not essential)
- Offer suggestions for improvements relating to community garden
- Participate in or lead garden workshops to create opportunities for shared learning and garden skill development.

Community Garden Coordinator

The Gold Coast University Hospital community garden is a sustainable environmentally friendly opportunity to produce nutritious herbs, vegetables and native garnishes to enhance the hospital menu for inpatients and staff through the Pulse Cafe. Volunteers support a social responsibility approach to the creation of horticultural therapy opportunities for in-patients and enhanced social connection for staff and visitors through shared gardening.

Location:	Community Garden, Gold Coast University Hospital Southport
Purpose of position:	To coordinate community garden maintenance, planting and harvesting.
Service provision (Hours):	3 hours per week
Mandatory requirements:	Volunteers must attend orientation, a work unit induction and any other training considered necessary for this position.
Physical requirements:	Shifts require up to 3 hours walking and standing as well as some bending to work in garden beds. Light digging and wheelbarrow use may also be required. General gardening knowledge and good communication skills are essential in this role.

Duty Statement:

The Community Garden Coordinator provides guidance regarding garden planning and production to the Gold Coast Health garden project team and garden volunteers. The coordinator defines duties and facilitates gardeners and resources, paying attention to the details of the garden while staying acquainted with opportunities in the hospital and surrounding community. Poisons will not be used in the community garden area.

Tasks:

- Identify planting schedules and resource requirements
- Outline activities, tasks required on a weekly basis to be completed by volunteers
- Identify training needs and workshop ideas
- Provide advice to garden volunteer coordinator on potential volunteer activities

Skills and experience:

- A passion for gardening
- Enjoys overseeing/supervising community projects and working with people
- Good communication, friendly helpful manner and respect for other people's opinions
- Ability to work outdoors, use garden tools and apply safe work practices
- Permaculture or horticulture experience (desirable)
- Participate in or lead garden workshops to create opportunities for shared learning and garden skill development.

Courier Service Position Description

Location:	Gold Coast University Hospital, 1 Hospital Boulevard, Southport
Purpose of position:	Provide a message and errand service delivering the internal mail between Wards and Departments.
Service provision (Hours):	Mon → Fri 8.00am – 12.00pm
Mandatory requirements:	Volunteers will require documentary evidence they have been vaccinated for the vaccine preventable diseases (VPD's) of measles, mumps, rubella, varicella and pertussis. This will be arranged through the Volunteer Co-ordinator. Volunteers must attend orientation, a work unit induction and any other training considered necessary for this position.
Physical requirements:	Shifts require a minimum of 4 hours walking, standing and sitting. Ability to follow directions, maintain confidentiality and good communication skills are essential in this role.

Duty Statement:

- Collect and distribute internal mail & messages.
- Respond to urgent requests from staff for collection and delivery of items.
- Ensure accuracy of collection and delivery points.
- Make up brochure packs for distribution.
- Label specimen bottles.

Day Procedure Unit Position Description

Location:	Day Procedure Unit Gold Coast University Hospital, 1 Hospital Boulevard, Southport
Purpose of position:	To support parents/carers when children are attending the Day Procedure Unit for a procedure.
Service provision (Hours):	Mon → Fri 8.00am – 12.00pm
Mandatory requirements:	Volunteers will require documentary evidence they have been vaccinated for the vaccine preventable diseases (VPD's) of measles, mumps, rubella, varicella and pertussis. This will be arranged through the Volunteer Co-ordinator. Capacity to obtain a Working with Children Blue Card is required and arranged by the Volunteer Co-ordinator. Volunteers must attend orientation, a work unit induction and any other training considered necessary for this position.
Physical requirements:	Shifts require a minimum of 4 hours walking and standing. Ability to follow directions, display empathy, maintain confidentiality and good communication skills are essential in this role.

Duty Statement:

- Greet parents/carers upon arrival to the surgical admitting unit.
- Prepare the parents/carer to enter the operating theatre while their child is anaesthetised, including assisting them into operating theatre attire.
- Once child is anaesthetised, guide the parents/carer back to the waiting area, helping to discard theatre attire and providing directions to ward waiting areas.
- Provide support to parents/carers to help ease anxiety while their child is undergoing a medical procedure.
- Support parents/carers with tea, coffee making facilities and location of retail area.
- Work co-operatively with surgical staff to ensure that the needs of patients and attending family/carers are being met.

Endoscopy Unit Position Description

Location:	Endoscopy Unit Gold Coast University Hospital, 1 Hospital Boulevard, Southport
Purpose of position:	To support patients when attending the Endoscopy Unit for a procedure.
Service provision (Hours):	Mon → Fri 8.00am – 12.00pm
Mandatory requirements:	Volunteers will require documentary evidence they have been vaccinated for the vaccine preventable diseases (VPD's) of measles, mumps, rubella, varicella and pertussis. This will be arranged through the Volunteer Co-ordinator. Volunteers must attend orientation, a work unit induction and any other training considered necessary for this position.
Physical requirements:	Shifts require a minimum of 4 hours walking and standing. Ability to follow directions, display empathy, maintain confidentiality and good communication skills are essential in this role.

Duty Statement:

- Greet patients upon arrival to the Endoscopy Unit.
- Tidy Waiting Area and replenish Magazines.
- Offer assistance to patients with gowning for their procedures and obtain warm blankets whilst they wait.
- Replenish gowns, hair covers etc in the pre-procedure area.
- Provide patients with refreshments after their procedure. Ensuring that they have something to eat or drink before they leave.
- Escort patients in and out of the Endoscopy Unit. Including, escorting them to the foyer or Transfer Unit for their transportation home.
- Provide social support to patients and their carers.
- Work co-operatively with Endoscopy staff to ensure that the needs of patients and attending family/carers are being met.

Hand Massage & Nail Care

Location:	Gold Coast University Hospital, 1 Hospital Boulevard, Southport
Purpose of position:	To provide a hand massage and nail care service to patients, particularly those hospitalised for long periods.
Service provision (Hours):	Mon → Fri 12.00pm – 4.00pm
Mandatory requirements:	Volunteers will require documentary evidence they have been vaccinated for the vaccine preventable diseases (VPD's) of measles, mumps, rubella, varicella and pertussis. This will be arranged through the Volunteer Co-ordinator. Volunteers must attend orientation, a work unit induction and any other training considered necessary for this position.
Physical requirements:	Shifts require a minimum of 4 hours walking and sitting. Ability to follow directions, display empathy, maintain confidentiality and good communication skills are essential in this role.

Duty Statement:

- This service will be providing patient centred care identifying long term patients that would benefit from hand massage and nail care.
- This service would benefit those patients whose nails have become an unsafe length.
- Research indicates that hand massage is very therapeutic particularly benefiting patients with pain relief.
- Our aim is to provide a pleasant, relaxing experience for the patient and to enhance trust and communication.
- We would visit with Wards and together with the staff, identify patients that would benefit by having hand massage or their nails manicured.
- It would be anticipated that the Volunteers would provide this service at the bedside of patients.

Hand Massage & Nail Care

Location:	Robina Hospital, Bayberry Lane, Robina
Purpose of position:	To provide a hand massage and nail care service to patients, particularly those hospitalised for long periods.
Service provision (Hours):	Mon → Fri 12.00pm – 3.30pm
Mandatory requirements:	Volunteers will require documentary evidence they have been vaccinated for the vaccine preventable diseases (VPD's) of measles, mumps, rubella, varicella and pertussis. This will be arranged through the Volunteer Co-ordinator. Volunteers must attend orientation, a work unit induction and any other training considered necessary for this position.
Physical requirements:	Shifts require a minimum of 3 hours walking and sitting. Ability to follow directions, display empathy, maintain confidentiality and good communication skills are essential in this role.

Duty Statement:

- This service will be providing patient centred care identifying long term patients that would benefit from hand massage and nail care.
- This service would benefit those patients whose nails have become an unsafe length.
- Research indicates that hand massage is very therapeutic particularly benefiting patients with pain relief.
- Our aim is to provide a pleasant, relaxing experience for the patient and to enhance trust and communication.
- We would visit with Wards and together with the staff, identify patients that would benefit by having hand massage or their nails manicured.
- It would be anticipated that the Volunteers would provide this service at the bedside of patients.

HEAL Breathe Easier Position Description

Location:	Helensvale Community Health, 105 Lindfield Road, Helensvale
Purpose of position:	Provide peer support to clients attending the HEAL Breathe Easier education program and LARF support group.
Service provision (Hours):	Tue 10.30am – 12.30pm
Specific requirements:	Must have been a past participant of the COPD program and LARF support group.
Mandatory requirements:	Volunteers will require documentary evidence they have been vaccinated for the vaccine preventable diseases (VPD's) of measles, mumps, rubella, varicella and pertussis. This will be arranged through the Volunteer Co-ordinator. Volunteers must attend orientation, a work unit induction and any other training considered necessary for this position.
Physical requirements:	Shifts require a minimum of 2 hours walking, standing and sitting. Ability to follow directions, display empathy, maintain confidentiality and good communication skills are essential in this role.

Duty Statement:

- Social interaction and support with clients of the Heal Breathe Easier program and LARF support group.
- Making clients feel welcome by providing a meet n' greet service.
- Share experiences by answering participants' questions but **not** providing medical advice or counselling.
- Mentoring peers with an emphasis on self-management goals including self esteem.
- Assist with morning teas and tidy up.
