Welcome

Welcome to Gold Coast Health - Volunteer Services. We hope your voluntary contribution to the service is an enjoyable and fulfilling one, and as valuable an experience to you as it is to our district. Thank you very much for considering giving your time to become part of our health care team.

We place great importance on the activities of volunteers and are truly grateful for their contribution in helping to support care for our patients.

This handbook is designed to assist you in becoming familiar with the roles our Volunteers perform and the duties required for each of those roles.

Our Vision

Gold Coast Health will be recognised as a centre of excellence for world class healthcare.

Our Purpose

Providing excellence in sustainable and evidence based healthcare that meets the needs of the community.

Our Values

- **Integrity** – To be open and accountable to the people we serve.
- **Community first** – To have the patient’s and the community’s best interest at heart.
- **Excellence** – To strive for outstanding performance and outcomes.
- **Respect** – To listen, value and acknowledge each other.
- **Compassion** – To treat others with understanding and sensitivity.
- **Empower** – To take ownership and enable each other to achieve more.

Volunteer Services

Volunteers are an essential part of the successful functioning of Gold Coast Health. For your benefit, and that of the organisation, it is important that your role is carefully defined, and that you are provided with regular feedback as to the valuable contributions of your efforts. Volunteer Services aim to compliment and enhance services of the Health Service through the selfless contribution of volunteers.

Volunteers offer support in many ways, from listening and chatting with patients and their families, assisting with way finding, comforting patients who arrive for clinic appointments, offering books and magazines to read and assisting with ward activities. Any support given to patients and their families or to paid staff attending them is a valuable worthwhile contribution and can make a patient’s stay a little more comfortable.

The characteristics of a Volunteer include **Team Spirit, Flexibility, Commitment and Reliability**.

When recruiting Volunteers, we look for characteristics where people wish to work in a team environment. Where they feel they can contribute to the health and benefit of the patient. Volunteers wish to be part of their community and give of their time freely without financial benefit. We look for Volunteers who are committed, reliable and willing to offer a minimum of 6 months support on a rostered weekly basis.

**Our Volunteer Positions are not Work Experience roles.** We do not have Volunteers performing roles that staff are paid to perform.

**Volunteers must be over the age of 18 years to volunteer with Gold Coast Health.**
General principles for use of volunteers

Volunteering is to benefit the community and the volunteer, and be of the volunteer’s own free will and without coercion. Volunteers receive no financial payment and must work in designated volunteer positions only.

- Volunteering is always a matter of choice.
- Volunteering is not compulsorily undertaken to receive pensions or government allowances.
- Volunteering is a legitimate way in which citizens can participate in the activities of their community.
- Volunteering is a vehicle for individuals or groups to address human, environmental and social needs.
- Volunteering is not a substitute for paid work.
- Volunteering respects the rights, dignity and culture of others.
- Volunteering promotes human rights and equality.
- Volunteers will not be utilised where legislative requirements or GCHHS policies and procedures dictate the use of paid or contracted staff.
- Volunteer positions will not be created to suit the needs of individuals and this includes work experience opportunities.
- Volunteers are required to undertake a general Criminal History Check and/or hold a current working with children Blue Card depending on the role they will be performing. This will be arranged through the Volunteer Manager.
- Volunteers will require documentary evidence they have been vaccinated for the vaccine preventable diseases (VPD’s) of Hepatitis B, Measles, Mumps, Rubella, Varicella and Pertussis. This will be arranged through the Volunteer Manager.
- Volunteers will also be required to complete a Tuberculosis Risk Assessment Questionnaire.

Volunteering is never to be used as a precondition for paid employment or as a substitute for paid work. Volunteers are not to replace paid employees or pose a threat to their job security. They are not to fill a position previously held by a paid employee. Volunteers are not required to do the work of paid employees during industrial disputes.

Activities undertaken by a volunteer are to positively support the achievements of the volunteer program. The activities are to be meaningful to the volunteer and contribute in a meaningful way to the objectives of Gold Coast Health. Volunteers are not to be exploited or expected to perform tasks that paid staff are reluctant to undertake.

Volunteers need to be flexible and may be required to work in any role depending on the availability of Volunteers.

Volunteer rights and responsibilities

The terms and conditions of volunteer engagements are not covered by award conditions or workplace agreements. However, volunteers have rights provided by legislation or as an obligation of organisations engaging volunteers.

Volunteers have the right:

- to work in a healthy and safe environment;
- to be interviewed and employed in accordance with equal opportunity and anti-discrimination legislation;
- to be adequately insured and indemnified;
- to be given accurate and truthful information about Gold Coast Health;
- to be reimbursed for out-of-pocket expenses incurred on behalf of Gold Coast Health;
• to be given a copy of Gold Coast Health’s Volunteer Handbook and any other policy that affects volunteers and their work;
• not to fill a position previously held by a paid worker;
• to have a job description and agreed working hours;
• to have access to a grievance procedure;
• to be provided with orientation to the organisation;
• to have confidential and personal information dealt with in accordance with the principles of the Privacy Act 1988;
• to be provided with sufficient and appropriate training to do the job;
• to work only in their assigned unit and not be asked to perform tasks outside their experience without training and supervision;
• of a place to work and suitable resources;
• be included in planning for the service.

Volunteers will maintain a high standard of service and be responsible for:

• maintaining a friendly, polite, courteous and helpful approach always;
• maintaining a high standard of personal presentation;
• to work only in their assigned unit and not be asked to perform tasks outside their experience without training and supervision;
• to be dependable, reliable, arrive on time, and notify the organisation if they are unavailable;
• have a willingness to learn, as training is essential to any job well done;
• welcome supervision and ask for support when they need it;
• avoid over-extending themselves, recognise personal limitations, and not make promises they cannot keep;
• value and support other team members and the functions of paid staff;
• address areas of conflict with the Volunteer Manager;
• advise the organisation if you do not wish to continue;
• maintain client privacy and confidentiality always;
• if unable to provide immediate assistance, being able to refer clients to appropriate areas for assistance.

• Nurturing of babies whilst in a sitting position. Nurse Only to position baby in and out of cot.
• Push children in pram or wheelchair (in the Ward only) when unsettled.
• Play and distraction with children both at the bedside and in the playroom lounge.
• Provide support for children when parents need to have a break, shower, go for coffee or make phone calls.
• Provide information to families on local amenities, such as cafes, toilets, and public transport.
• Assisting at meal times with cutting food and opening items. No feeding of children.
• Stock and tidy the nappies, patient clothing cupboard, and sort pyjamas & clothing.

Are You the Right Person for the Role?
• Ability and willingness to promote and support Children’s Inpatient Unit values for patient centred care.
• Ability to work co-operatively with staff and volunteers and work as part of a team.
• Strong communication skills (listening and communicating).
• Ability to display empathy, compassion, dignity and respect.
• Respect the beliefs and values of all people including those of cultural, religious, social and/or ethnic groups.
Community Gardener Position Description

The Gold Coast University Hospital community garden is a sustainable environmentally friendly opportunity to produce nutritious herbs, vegetables and native garnishes to enhance the hospital menu for inpatients and staff through the Pulse Cafe. Volunteers support a social responsibility approach to the creation of horticultural therapy opportunities for in-patients and enhanced social connection for staff and visitors through shared gardening.

Location: Community Garden
Gold Coast University Hospital,
Southport

Purpose of position: To assist with community garden maintenance, planting and harvesting.

Service provision (Hours): Tues or Thurs Flexible times

Mandatory requirements: Volunteers must attend orientation, a work unit induction and any other training considered necessary for this position.

Physical requirements: Shifts require up to 3 hours walking and standing as well as some bending to work in garden beds. Light digging and wheelbarrow use may also be required. General gardening knowledge and good communication skills are essential in this role.

Duty Statement:
The Community Gardener works under the direction of the Community Garden Coordinator to maintain the productivity of the community garden. Community gardeners are also integral to greeting volunteers and visitors to the garden to create a welcoming and inclusive environment for promoting healthy eating and sustainable food production.

- Keen interest in gardening and working with people from diverse cultures and backgrounds
- Good communication and friendly, helpful manner
- Understanding of safe work practices
- Ability to work outdoors and use garden tools
- Basic gardening experience (not essential)
- Offer suggestions for improvements relating to community garden
- Participate in or lead garden workshops to create opportunities for shared learning and garden skill development.
Day Medical Unit Position Description

Location: Day Medical Unit,
Gold Coast University Hospital,
1 Hospital Boulevard,
Southport

Purpose of position: To provide support, care and comfort for patients attending the Day Medical Unit.

Service provision (Hours): Mon → Fri 8.00am – 12.00pm
Mon → Fri 12.00pm – 4.00pm

Mandatory requirements: Volunteers will require documentary evidence they have been vaccinated for the vaccine preventable diseases (VPD’s) of Hepatitis B, Measles, Mumps, Rubella, Varicella and Pertussis and complete a Tuberculosis risk assessment questionnaire. This will be arranged through the Volunteer Manager.
Volunteers must attend orientation, a work unit induction and any other training considered necessary for this position.

Physical requirements: Volunteers will be required to be active and independently able to manage a 4 hour shift.
Ability to display empathy, confidentiality and good communication skills are essential in this role.

Duty Statement:

- Welcoming patients to the Medical Day Unit.
- Direct patients and visitors to an area where they may sit and wait.
- Offer refreshments to the patients waiting or during treatment.
- Provide companionship for the patients as they wait before or during treatment.
- Re-stock blanket warmer.
- Tidy and replenish tea room supplies.
- Maintain and tidy Waiting Areas.
- Escort patients requiring directions to other Departments.
- Assist with other tasks as requested by Unit staff.
Day Procedure Unit Position Description

Location:
Day Procedure Unit
Gold Coast University Hospital,
1 Hospital Boulevard,
Southport

Purpose of position:
To support parents/carers when children are attending the Day Procedure Unit for a procedure.

Service provision (Hours):
Mon → Fri 8.00am – 12.00pm

Mandatory requirements:
Volunteers will require documentary evidence they have been vaccinated for the vaccine preventable diseases (VPD’s) of Hepatitis B, Measles, Mumps, Rubella, Varicella and Pertussis and complete a Tuberculosis risk assessment questionnaire. This will be arranged through the Volunteer Manager.
Capacity to obtain a Working with Children Blue Card is required and arranged by the Volunteer Manager.
Volunteers must attend orientation, a work unit induction and any other training considered necessary for this position.

Physical requirements:
Volunteers will be required to be active and independently able to manage a 4 hour shift.
Ability to follow directions, display empathy, maintain confidentiality and good communication skills are essential in this role.

Duty Statement:

• Greet parents/carers upon arrival to the surgical admitting unit.

• Prepare the parents/carer to enter the operating theatre while their child is anaesthetised, including assisting them into operating theatre attire.

• Once child is anaesthetised, guide the parents/carer back to the waiting area, helping to discard theatre attire and providing directions to ward waiting areas.

• Provide support to parents/carers to help ease anxiety while their child is undergoing a medical procedure.

• Support parents/carers with tea, coffee making facilities and location of retail area.

• Work co-operatively with surgical staff to ensure that the needs of patients and attending family/carers are being met.
Endoscopy Unit Position Description

Location: Endoscopy Unit
Gold Coast University Hospital,
1 Hospital Boulevard,
Southport

Purpose of position: To support patients when attending the Endoscopy Unit for a procedure.

Service provision (Hours): Mon → Fri 8.00am – 12.00pm

Mandatory requirements: Volunteers will require documentary evidence they have been vaccinated for the vaccine preventable diseases (VPD’s) of Hepatitis B, Measles, Mumps, Rubella, Varicella and Pertussis and complete a Tuberculosis risk assessment questionnaire. This will be arranged through the Volunteer Manager.
Volunteers must attend orientation, a work unit induction and any other training considered necessary for this position.

Physical requirements: Volunteers will be required to be active and independently able to manage a 4 hour shift.
Ability to follow directions, display empathy, maintain confidentiality and good communication skills are essential in this role.

Duty Statement:

- Greet patients upon arrival to the Endoscopy Unit.
- Tidy Waiting Area and replenish Magazines.
- Offer assistance to patients with gowning for their procedures and obtain warm blankets whilst they wait.
- Replenish gowns, hair covers etc in the pre-procedure area.
- Provide patients with refreshments after their procedure. Ensuring that they have something to eat or drink before they leave.
- Escort patients in and out of the Endoscopy Unit. Including, escorting them to the foyer or Transfer Unit for their transportation home.
- Provide social support to patients and their carers.
- Work co-operatively with Endoscopy staff to ensure that the needs of patients and attending family/carers are being met.
Hand Massage & Nail Care

Location: 
Gold Coast University Hospital,
1 Hospital Boulevard,
Southport

Purpose of position: 
To provide a hand massage and nail care service to patients, particularly those hospitalised for long periods.

Service provision (Hours): 
Mon → Fri 12.00pm – 4.00pm

Mandatory requirements: 
Volunteers will require documentary evidence they have been vaccinated for the vaccine preventable diseases (VPD’s) of Hepatitis B, Measles, Mumps, Rubella, Varicella and Pertussis and complete a Tuberculosis risk assessment questionnaire. This will be arranged through the Volunteer Manager.
Volunteers must attend orientation, a work unit induction and any other training considered necessary for this position.

Physical requirements: 
Volunteers will be required to be active and independently able to manage a 4 hour shift.
Ability to follow directions, display empathy, maintain confidentiality and good communication skills are essential in this role.

Duty Statement:

- This service will be providing patient centred care identifying long term patients that would benefit from hand massage and nail care.
- This service would benefit those patients whose nails have become an unsafe length.
- Research indicates that hand massage is very therapeutic particularly benefiting patients with pain relief.
- Our aim is to provide a pleasant, relaxing experience for the patient and to enhance trust and communication.
- We would visit with Wards and together with the staff, identify patients that would benefit by having hand massage or their nails manicured.
- It would be anticipated that the Volunteers would provide this service at the bedside of patients.
Hand Massage & Nail Care

Location: Robina Hospital,
Bayberry Lane,
Robina

Purpose of position: To provide a hand massage and nail care service to patients, particularly those hospitalised for long periods.

Service provision (Hours): Mon → Fri 9.00am – 11.30am

Mandatory requirements: Volunteers will require documentary evidence they have been vaccinated for the vaccine preventable diseases (VPD’s) of Hepatitis B, Measles, Mumps, Rubella, Varicella and Pertussis and complete a Tuberculosis risk assessment questionnaire. This will be arranged through the Volunteer Manager. Volunteers must attend orientation, a work unit induction and any other training considered necessary for this position.

Physical requirements: Volunteers will be required to be active and independently able to manage a 4 hour shift. Ability to follow directions, display empathy, maintain confidentiality and good communication skills are essential in this role.

Duty Statement:

• This service will be providing patient centred care identifying long term patients that would benefit from hand massage and nail care.

• This service would benefit those patients whose nails have become an unsafe length.

• Research indicates that hand massage is very therapeutic particularly benefiting patients with pain relief.

• Our aim is to provide a pleasant, relaxing experience for the patient and to enhance trust and communication.

• We would visit with Wards and together with the staff, identify patients that would benefit by having hand massage or their nails manicured.

• It would be anticipated that the Volunteers would provide this service at the bedside of patients.
HEAL Breathe Easier Position Description

Location: Helensvale Community Health, 105 Lindfield Road, Helensvale

Purpose of position: Provide peer support to clients attending the HEAL Breathe Easier education program and LARF support group.

Neurosurgical Screening Peer Support Volunteer Position
Description

Location: Gold Coast University Hospital,
1 Hospital Boulevard,
Southport

Purpose of position: Provide peer support to clients living with persistent pain within the Neurosurgical Screening Clinic.

Service provision (Hours): Mon → Fri

Mandatory requirements: Volunteers will require documentary evidence they have been vaccinated for the vaccine preventable diseases (VPD’s) of Hepatitis B, Measles, Mumps, Rubella, Varicella and Pertussis and complete a Tuberculosis risk assessment questionnaire. This will be arranged through the Volunteer Manager.

Volunteers must have previously attended the 5 week NOPSC “uplift” program. Must attend orientation, a work unit induction and NOPSC mandatory training.

Physical requirements: Volunteers will be required to be active and independently able to manage a 4 hour shift.

Ability to follow directions, display empathy, maintain confidentiality and good communication skills are essential in this role.

This position will be reviewed after 3 months.

Duty Statement:

- Undertake peer support duties in accordance with Gold Coast Health values.
- Conduct peer support with the NOPSC uplift and back class programs.
- Peer support includes:
  - Being a peer example of living a quality life with persistent spinal pain
  - Sharing your own personal experience of living with persistent spinal pain
  - Sharing your rehabilitation journey within the NOPSC group programs with patients within the existing groups
  - Alerting the physiotherapists to any concerns raised in interactions so the person can be linked in with professional support.
- Take reasonable care for your own health and safety.
Palliative Care Position Description

Location: Robina Hospital, Bayberry Lane, Robina

Purpose of position: Provide care and support to clients, carers, families and staff of the Palliative Care Service.

Service provision (Hours): Mon → Fri 10.00am – 1.00pm (flexible)

Mandatory requirements: Volunteers will require documentary evidence they have been vaccinated for the vaccine preventable diseases (VPD’s) of Hepatitis B, Measles, Mumps, Rubella, Varicella and Pertussis and complete a Tuberculosis risk assessment questionnaire. This will be arranged through the Volunteer Manager. Volunteers must attend orientation, a work unit induction and any other training considered necessary for this position.

Physical requirements: Volunteers will be required to be active and independently able to manage a 4 hour shift. Some pushing of trolleys may be required.

Volunteers responsibilities:
- To have a patient and family focussed approach to the provision of support.
- Treat all patients, carers, families, staff and other volunteers with care, compassion, dignity, and respect at all times and without compromise.
- To provide support to patients and families in a manner that respects their independence and enhances their emotional well-being.
- To communicate any concerns about client, family or carer to the Palliative Care staff.
- To participate in any training considered appropriate for this role.
- Ensure all appropriate actions are taken to implement OH&S policy, procedures and legislative requirements.
- Ensure you have an understanding of Gold Coast Health policies and procedures.
- Wear Identification Badge and Volunteer Uniform at all times.

Key Duties
- Support patients, carers and families upon admission and provide support during their stay.
- Liaise with staff to ensure the patients and their families are comfortable and that their needs are being met.
- Listening – ‘just being there’ for the ill person, for the carer, family members and visitors.
- Provide respite for carers that need to have a break.
- Purchase items from the Hospital Café for the patient, carer or family.
- Assisting at meal times with cutting food and opening items.
- Assist with patient activities of reading, games, crosswords etc.
- Assist the staff with Ward events and activities.
- Provide hand and nail care.
- Attend to any flowers and regularly change water.
- Support the staff in enabling the patients to attend musical performances and activities in the recreation garden area.
- Assist the staff with memorial services.
- Willingness to promote and support Palliative Cares values for patient centred care.
- Ability to work co-operatively with staff and volunteers and work as part of a team.
- Strong communication skills (listening and communicating).
- Ability to display empathy, compassion, dignity and respect.
- Respect the beliefs and values of all people including those of particular cultural, religious, social and/or ethnic groups.
